A Utopia is defined as a place or a society that is  
ideal or perfect.

Today, you'll begin to create your own Utopia!

In order to start to imagine your personal utopia, please answer the following questions honestly:

1. If you could have a sixth sense, what would it be? What would it detect?

2. When you consider your current 5 senses, what are your favorite sensations for each? What is your favorite thing to see, touch, taste, etc?

Sight:\_\_\_\_\_

Sound:\_\_\_\_\_

Touch:\_\_\_\_\_

Taste:\_\_\_\_\_

Feel:\_\_\_\_\_

3. Write down 10 laws or rules for your Utopia. Remember, this is your "perfect" world. Use the back of the page. When finished, create a poster of your Utopia. Draw a picture of it and/or write all the rules.
